CLASS is shown by numerals 1 through 99.
LOT is the classification that describes your items. Lots are shown as numerals.

For each item you wish to enter in the fair you must know the following: What Division? What Class? and What Lot? Enter this on the 4-H Youth Entry form. Each Class or Lot has further descriptions that tell you how many to enter, size limits, whether or not pre-entry is required and other information to help you.

Use a different entry form for each 4-H division. For example: do not use the same form for an animal poster and a beef exhibit, or for a record book and an educational poster. Each division has a separate superintendent and separate forms are needed.

All 4-H Youth Entry Forms for Animal Exhibits, Animal Educational Exhibits, and Record Books are due July 1 to the Extension office or designated place. Animals are delivered to their barn space the day before Fair opens.

DEPARTMENT R – 4-H Youth Division

WSU Extension

From the earliest days of the 20th century, 4-H has been the guiding light for young people to grow into capable, competent, caring, and contributing members of our communities. Of course 4-H has changed by adding more projects and delivery methods to meet the changing needs of our families and their children.

In Cowlitz County we are reaching youth through our volunteer led 4-H club programs, 4-H after school programs and 4-H clubs day camps, special interest

short term projects, and ropes/adventure based 4-H challenge programs.

The original principle of 4-H stays the same...a safe, healthy place for young people to have fun and learn life skills through their 4-H projects and activities. The heart-beat and strength of the 4-H program remains the same with the time and devotion of over 100 Cowlitz County 4-H volunteers who serve as positive, caring role models for youth.

Jennifer Leach, 4-H Youth Extension Faculty

General 4-H Rules and Regulations

1. 4-H members are expected to know and follow all 4-H rules, project rules, and general rules of the fair. These expectations and rules remain in effect until exhibits are removed from the fair as per exhibit release times and/or exhibit requirements. Failure to do so may result in forfeiture of premiums, ribbons, awards, state fair qualification, and/or dismissal from the Fair. The final authority rests with the 4-H superintendent, the 4-H Youth Extension faculty in communication with Fair management.

2. The Cowlitz County 4-H program may have additional fair entry requirements (i.e. record book requirement, county demonstrations, etc).
4. The 4-H Division in Cowlitz County is open to all youth, Kindergarten through 19 years of age who are currently enrolled in the 4-H program for the current year, October 1- September 30th.
 - A.) Primary 4-H members (Kindergarten, 1st & 2nd graders) are not allowed to exhibit large animals (beef, sheep, swine, dairy goats, dairy and horse) projects. All primary 4-H members will exhibit on a non-competitive basis only. They will receive a special rainbow colored ribbon (see 4-H Primary Division for details).
 - B.) 4-H club members shall exhibit animals only in the projects or project in which they are enrolled. To exhibit at the County Fair, all 4-H members must be enrolled in the respective animal project by May 1st. For still life exhibits members must be enrolled by June 1st.
 - C.) Only 4-H members enrolled in a regular "organized" 4-H club are eligible to enter exhibits for 4-H State Fair.
5. Out of county 4-H exhibits will be accepted if room permits.
6. Each 4-H exhibitor shall have completed all project work to date.
7. Each 4-H member will be responsible for completing 4-H Youth Entry Forms and entry tags for still life exhibits and attaching entry tags to exhibits before they bring them to the fair or during scheduled entry times. Entry blanks and tags are available at the WSU Extension office. Do Not use Fair Youth Entry Forms.
8. Exhibits and contests will be judged according to the WSU Extension Score Cards.
9. 4-H members must raise, exhibit and show their own animals.
10. Still life exhibits must have been grown or made by the 4-H exhibitor as part of the 4-H program in the current 4-H year.
11. Each livestock member shall be allowed up to two (2) animals per species, subject to space available. As space permits, more animals may be allowed at the discretion of the superintendent.
12. The Danish system of awards will be used for regular 4-H members (3rd grade and above). Under this system each exhibit will be judged according to its own merits. If deemed worthy of a prize, the exhibit will be awarded a blue, red, or white ribbon. Under this system more than one exhibit in any class can receive a blue, red or white ribbon. Primary 4-H members (Kindergarten through 2nd graders) will exhibit on a non competitive basis only. Primary members will receive premium points equal to a red award for the class and lot they have entered.
13. Awards will be given at the discretion of the judges, to 4-H exhibitors in each class. The Danish (group) system of judging will be used to determine the ribbon placing (blue, red, or white) for each 4-H participant. The philosophy and policy of the 4-H program is to not recover ribbons issued in error. This means if a 4-H member receives a certain ribbon and an error is found (such as scoring, judging, etc), the ribbon will not be taken away. However, the 4-H member will receive the correct ribbon and a correct placing. Premiums and state fair qualifications will also be changed to reflect the corrected placing.
14. No one will be allowed to sleep in the barns.
15. Radios in barns – sound must be kept at low level or radio will be confiscated until after the Fair.
16. All barns and exhibits are to remain open as per fair requirements.
17. Changes in general 4-H state policy, 4-H state fair requirements, state 4-H project requirements may supersede policies and/or requirements outlined in this premium book. Final authority in interpretation of 4-H county and/or policy resides with the county 4-H Youth Extension faculty in consultation with the 4-H State Program Leader.

General Animal Requirements

1. All animals must be groomed and in show condition during open hours of the Fair. Animal exhibitors will at all times give the necessary and personal attention to the exhibits. Failure to comply with this rule may be cause for forfeiture of premiums and ribbons.
2. Decoration materials used shall be limited to aluminum foil, flowers and suitable signs. Flammable materials are not allowed. Final discretion will rest in the authority of the Longview Fire Marshall and the City of Longview Municipal Code.
3. Registered animals (except horses, dogs, cats and poultry) in 4-H and FFA Divisions are eligible to exhibit animal(s) in Open Class. All such entries are subject to both 4-H and Open Class rules and regulations, including entry fees. Entry fees and forms are due on July 1.
4. All livestock must meet the 2010 Exhibition Livestock minimum requirements (on file at the Fair office).
5. If 4-H or FFA entries are turned away due to lack of space, they may enter in Open Class if space is available, but cannot cross-enter in 4-H or FFA.
6. Open Class exhibitors may not cross-enter in 4-H or FFA.

4-H Animal Project Exhibitor Commitment to Quality Animal Care

This is an agreement formal or implied, between 4-H participants and the management of this Fair. Its purpose is to:

- Encourage ethical decisions and activities by 4-H youth.
 - Ensure the overall well being of all 4-H animals exhibited.
 - Ensure the use of commonly accepted practices in preparing and exhibiting animals for show.
 - Maintain a safe and wholesome food supply.
 - Maintain the intent and integrity of animal competitions and displays for future generations.
1. The purpose of my participation in the Washington 4-H Animal Sciences Program is to strengthen my own knowledge, ability, and skill as a feeder, manager, trainer, caregiver, and exhibitor of animals and to develop my sense of responsibility and good character. If my project includes food production animals, my goal is to produce safe and wholesome food.
 2. I will do my own project work to the best of my ability.
 3. I will not use or allow abusive, fraudulent, or illegal practices or products to be used in the feeding, care, fitting, training, and showing of my animals.
 4. I will not misrepresent my animals or myself in any way.
 5. I will read, understand, and follow the rules, without exception, of animal shows in which I am a participant and ask that my parents and 4-H leader do the same.
 6. My animal project is an example of how to accept what life has to offer, both good and bad, and how to live with the outcome. I will treat other people's animals with the same respect and care I give my own animals.
 7. I realize that I am responsible for the proper care and safe, humane treatment of my animals. I realize that I am also responsible for demonstrating strong moral fiber and good character as an example to others.
 8. I will voice any objections to events related to my participation by using the process outlined through the Cowlitz County 4-H Council Procedures Committee. I will not directly interfere with the judge, show management, or other exhibitors before, during, or after the event.
 9. I accept that failure to uphold this commitment could result in forfeiture of my right to participate in the 4-H Animal Sciences Program.

Specific Rules and Regulations for 4-H Animal Project Exhibitors

1. Each exhibitor shall be responsible for getting their animals properly entered. The project animal must have been in continuous care and management of exhibitor prior to the Fair. See EM0758 "Washington

State 4-H Youth Program Policy" (available in the WSU Extension office) in regards to animal care and management guidelines for poultry, rabbit, beef, dairy, goat, sheep, swine, horse, dogs, cats, cavy, pocket pets, etc.

2. Herdsmanship (including keeping the premises neat and clean at all times), grooming, handling, and exercise of the project animal must be performed by the 4-H exhibitors. If 4-H members are too young and/or physically incapable of doing their own clipping or washing, only bonafide 4-H exhibitors may provide needed assistance. Violations of this rule create loss of learning experience to the exhibitors and unfair competition to other 4-H members, particularly in the fitting and showing contest and may be cause for disqualification of entry and can result in loss of ribbons, premiums, and/or participation, including state fair participation. If the immediate safety of the 4-H member or project animal is at risk, 4-H leaders may need to intervene.
3. Each animal will be judged for both Fitting and Showing (showmanship) and Type (Obedience, Games, Performance, Etc.). Award money for Fitting and Showing will be paid for only one lot per animal species per member. All animal exhibitors must do Fitting and Showing and enter at least one "type" class.
4. Calves must be at least three months of age at time of showing in order to be shown in a lot by themselves.
5. Health requirements: 4-H cattle must meet the same health Standards as required by Cowlitz County Fair open class. (General Livestock Requirements).
6. The Fair will furnish without charge initial bedding and straw. For large animals it is the exhibitor's responsibility to provide the following: Hay and grain, and equipment such as water buckets, wheelbarrow, pitchforks, broom, grooming equipment, etc.
7. All animals must be groomed and in show condition upon arrival at Fairgrounds.
8. All beef and dairy animals must be double tied in barns.
9. The manner in which animals are to be watered will be at the discretion of the 4-H animal superintendent. Public safety and health of the animal should not be put at risk with this policy. It is the superintendent's responsibility to determine safety for the public, 4-H member, and the animal.
10. Each club and their members will be responsible for the care and display of animals in the barns.
11. Decorations: Clubs must have their own signs and put up decorations. Decoration materials must be non-flammable. Final discretion will rest in the authority of the Longview Fire Code.
12. Showing horned animals:
 - a. Market steers must be polled or dehorned; healed or re-growth must not extend more than 2" from the hairline. Horned breeding animals must have the horn tips covered as a safety precaution.
 - b. Goats and sheep entered in market and showmanship classes must be polled or dehorned. Horned animals in breeding classes

must have the horn tips covered as a safety precaution.

- c. No dairy animals with horns are permitted except in the Junior Heifer Calf class. The definition of horns includes "scurs, "nubbins," or "stubs" that extend more than 1 inch beyond the skin.
 - d. No horned dairy goat animals are allowed.
