

2023 Cowlitz County Fair
Location: Floral Building

Floral Department C

Superintendents:

Sandy Rountree (360) 423-7351
The WSU Master Gardeners

Entry Fees:

There is no entry fee for this department

Exhibitors can register at <http://cowlitzcountyfair.fairentry.com> starting Thursday, June 1, 2023 through 9:59 pm PST on Wednesday, July 19, 2023. Pre-registration for any floral items you plan to bring to the Fair is required. If you need help registering iPads are available at the Cowlitz County Fair Office between 10:00 am and 4:00 pm Monday – Friday at 1900 7th Avenue in Longview. The Fair office will be closed on Monday, June 19th and Tuesday, July 4th in observance of national holidays.

In Time:

Entries accepted Monday, July 24, 2023 from 6:00 pm to 9:00 pm or Tuesday, July 25, 2023 from 7:00 am to 9:00 am. NO ENTRIES AFTER 9:00 AM!

Release Time:

Exhibits will be released from 10:00 am to 2:00 pm, Sunday, July 30. Not responsible for items left after 2:00 pm.

Specific Rules:

1. Exhibitors should refer to the General Fair Rules and Regulations in the 2023 Exhibitor Handbook.
2. Containers (Green for Adults and Clear for Youth) will be furnished, except for baskets, bowls and accessories used in arrangements, etc. Owners MUST identify their property and claim property at the close of Fair.
3. Flowers, potted plants and hanging baskets must be grown by the exhibitor for at least three months prior to entry.
4. Competitive Floral exhibits are for Amateurs only. An Amateur is one who grows plants by his own efforts for pleasure, and whose returns from sales, if any, does not equal his out-lay for seeds and plants. Anyone holding a commercial license shall not be eligible to enter as an amateur, with the exception of the decorative division.
5. The class and kind of flower must appear in the entry description when registering online.
6. Awards in each class will consist of first, second and third place ribbons in addition to the points listed. Honorable Mention may be awarded. Judging will not be done on exhibits containing artificial flowers or foliage.
7. Best of Show awards will not be given unless exhibit scores 95 or more. Best of Show exhibits MUST be kept fresh. Exhibits will be removed if not kept fresh.
8. No exhibitor shall make more than one (1) entry per color lot with the exception of class 11, Roses and class 14, African Violets.
9. Judging will take place as soon as possible after entries are recorded. The Handbook for Flower Shows by the National Council of State Garden Clubs, Inc. is used for judging. The Danish System of judging will apply to Division C only.

10. Space must be reserved with the Superintendent for entries in the Florist, Nurseryman and Garden Club Classes. Space is limited and the first to make reservations will have preference.
11. Anyone ages 17 years and under must enter Division C, Classes 1 through 4. Judging will be done by the Danish System.
12. The Fair Management will not be responsible for the loss of containers, accessories or equipment used in displays.
13. Cut fruit and prepared food will not be allowed.
14. Premiums will be withheld if found taking other's flowers or ribbons without their permission.
15. Wedging will be permissible.
16. Do not remove stamens in lilies.

Flower Hints: Cut your flowers in the late afternoon the day before they are to be exhibited. Place the flowers immediately into water that has been set out in the garden all day. Cutting should be done about 4:00 pm since there is the greatest amount of sugar in the leaves at that time, unless the weather is extremely hot. In that instance cutting in the early morning is optimum. Keep flowers in water in a cool, dark place overnight. To arrange, cut stems cleanly at an angle under water with a sharp knife and place in water-filled vase or container. Cut stems as long as possible. All foliage that is below the water line should be removed. Foliage should be clean. Remove any broken or disfigured foliage or petals as foliage and stems count in judging as well as blooms. It is better to have more stem and foliage than too little. Groom plants well. Flowers must have their own attached foliage. All stems should be in proportion to the flower.
